

CATERER DUO

SERIES: MOBILE PAVESI TRADITIONAL BRICK OVENS

Caterer Duo
with Coral Stucco

JOB NAME: _____

REFERENCE INVOICE #: _____

FUEL SOURCE (NO ELECTRICITY REQUIRED)

WOOD

FEATURES

The Caterer Duo mobile brick oven offers an agile option for catering at private or modest public events. Transformed from a Pavese oven from Modena, Italy to a now road-safe trailer. It features a decorative cast-iron arch opening allowing access to the hearth at 20.5" wide by 10.5" tall. Its sturdy aluminum frame reduces the towing weight, making it possible to tow with most mid-range SUVs and larger. Once stationed, the side stainless steel doors open up to create a secure countertop whilst doubling as doors for the ample storage space below. Choose from six different stucco colors.
